

2018 HIGHLIGHTS

MAY 2018

The church is growing!!

We are passing through tough time for evangrlism

Please pray for that

We were planning to give baptism for nearly more 30 people after 15 days...but local government has made restriction for that until we won't take permission from local office...if we will take permission they will take interview of local belivers who are taking baptism and their full address and if they found they are weak they can blame against us converting innocent ...

JUNE 2018

ABC Church has expanded yet again, this time with a covered porch as an “overflow” area. They are working to get the technology set up for them to participate in the worship and hearing the messages.

SEPTEMBER 2018

- ABC Church is running at 500 people, which has Pastor Raj extremely busy. They have a powerful prayer ministry, which he built based on our training classes.
- Some of the young pastors were forced to abandon their churches to find work in India to support themselves. Difficult financial times are a reality. They are now working in Delhi and attending the Delhi Church. There are now eight house churches, down from 11.
- Please keep Pastor Raj in your prayers for wisdom, revelation and strength in mind, spirit and body as he has so much responsibility.
- Hank, his son, is growing like a weed and the rest of the family are doing well.

- They are continuing to pray for Pastor Micki's trip to Nepal to help teach leaders and discipleship training classes.

OCTOBER 2018

- I heard from Raj over the last four weeks. He reports that everyone is well there including the young pastors.
- He says that God is taking them to new levels spiritually. They are excited about that.
- Raj reports that the ABC Church is overflowing with new people and new believers!
- They hope to baptize 20 to 30 people in the next few weeks.
- He says that God is growing the gift of prophecy in him. Awesome! He is pursuing the gifts!
- Right now his focus is to edify his church and to make mature believers. He says that this is a challenge for him

CHRISTMAS OUTREACH
