

ABC DISCIPLESHIP PROGRAM

STARTED JANUARY 2017 - SEPTEMBER 2017

BWC is joining with Pastor Raj to teach a discipleship program to the young pastors in his church every week via the computer. Pastors Larry, Katy and Micki will teach various subjects like Knowing Our Authority and the Blood of Jesus, via the computer while Pastor Raj is translating to the pastors. They will have their notebooks and Bible while the teaching is going on. Then they will be equipped to go out and be the church. Please pray that knowledge will be increased and the technology will be working correctly. We feel honored to be able to help our sister church in Nepal with this program.

In June of 2017, we started a training on how to establish a Prayer Ministry and Praise and Worship Ministry. Pastor Raj reports the students are growing and maturing from these two important teachings as well as establishing a 24/7 Prayer Room in ABC Church.

The future goal of the school is in about six months the students will be ready to go out and start their house churches. Their training will be complete. They are going to work an area 15 to 20 kilometers from ABC church. Pastor Raj will be their overseer to ensure the purity of the Gospel is accomplished. Their goal is to win 2000 souls by the year 2024. That is 100 souls per new pastor. Pastor Raj believes that they will far surpass the 2000 souls by 2024.

Here is a picture of a teaching session. You can see Pastor Raj with his computer and Pastor Micki is doing a teaching while Pastor Raj translates to the students. The students are on the floor with their Bibles and notebooks, taking notes.
