

The Honey Hole

Impacting Your Realm of Influence with the Gospel

What is a Honey Hole?

- **A honey hole (or honeyhole) is slang for a location that yields a valued commodity or resource.**
- In fishing, a honey hole is a place in the water where fish are biting. For some reason, they have gathered at that spot and will take the bait almost as soon as you put it in the water!
- A honey hole for believers, in the Kingdom, is our realm of influence yielding souls for the Father through us presenting the fullness of the Gospel to those in our realm.

Our Realm of Influence

- What is our realm of influence? What does it mean to “influence” someone?
- A realm is a domain, a sphere, an area, a kingdom to name a few. It is our domain, our Kingdom assigned area. It is where God places us in the earth to advance His Kingdom.
- Who is in our realm? Anyone who crosses our path, no matter how fleeting, is considered in our realm of influence. The Holy Spirit is the One who causes people to come into our realm for us to share the Gospel with in whatever way He chooses.

The Beauty of Influence

- Influence is defined as “**the capacity to have an effect on the character, development, or behavior of someone or something, or the effect itself.**” It can also mean “**Impact, effect or guide.**”
- Influence brings change. Influence can bring bad changes or good changes. It depends on the motives of the influencer.
- We can change the course of a person’s life through the influence of the Holy Spirit flowing through us into our realm of influence.

Turning Our Realm of Influence into a Honey Hole as Fishers of Men

- The more we are transformed into the image of Jesus Christ, the more our realm of influence will become a “honey hole” that the lost will be drawn into.
- It goes back to the level of intimacy and knowledge we have with Father God through Jesus Christ. It all goes back to KNOWING HIM INTIMATELY.
- That is what Jesus did. He cultivated a deep and intimate relationship with His Father AS A MAN that drew thousands of people into His realm of influence.
- To do what Jesus did, we must DO WHAT JESUS DID!

What did Jesus do? ~ HE FASTED

- Jesus lived a fasted lifestyle.
 - Matthew 4:2 says “And after FASTING for forty days, Jesus was extremely weak and famished.”
 - Matthew 17:21 says “But this kind of demon is cast out only through prayer and fasting.”
- Jesus was always ready for any given situation because He lived a fasted lifestyle. He didn't require the disciples to fast because He did. He operated fully in the power of the Holy Spirit as an example for us to operate AFTER He left the earth and sent Holy Spirit.

What did Jesus do? ~ HE PRAYED

- Jesus established a powerful prayer life with the Father.
 - Matthew 14:23 says “After the crowds dispersed, Jesus went up into the hills to pray. And as night fell He was there praying alone with God.”
 - Matthew 17:21 says “After this, Jesus went up into the high hills to spend the whole night in prayer to God.” At daybreak, He chose the twelve Apostles.
 - Mark 1:35 says “The next morning, Jesus got up long before daylight, left the house while it was still dark, and made His way to a secluded place to give Himself to prayer.”
- Prayer was a **PRIORITY** with Jesus. It was His lifeline to the Father. It is **OUR** lifeline to Him as well. He could not afford to be lazy with prayer because too much was at stake. Nothing has changed. IT’s still all about **SOULS** for the Father.

What did Jesus do? ~ HE OBEYED INSTANTLY

- Jesus submitted His glorious power to the Father to take on human flesh. He OBEYED instantly whatever the Holy Spirit told Him to do and say.
 - John 12:49 says “For I’m not speaking as someone who is self-appointed, but I speak by the authority of the Father Himself who sent Me, and who instructed Me what to say.”
- Instant obedience brings instant manifestation of the power of God. That is what Jesus operated in. You can’t do this unless you have an intimate relationship with Him.
- There are no shortcuts to the power of God. And the power of God comes through the intimate relationship.

What did Jesus do? ~ HE HAD THE SINGLE EYE

- Jesus had the single eye. He saw only what His Father saw. Remember, He was tempted just as we are to be lazy spiritually, but He resisted.
- His diligence resulted in His ability to see the end result for everyone He prayed for...and they were healed instantly.
- His single eye focus established a powerful “honey hole” in His realm of influence. So powerful that His “honey hole” spread through the whole earth!

Ways to Establish a Honey Hole in Our Realm

- Like our Lord Jesus, we too can get to the place of the single eye focus that will establish our realm of influence into a “honey hole” that will draw people into the realm of the Father.
- We start where we are now. Remember, we are looking through the glass darkly but we look to Jesus who is the Author and Finisher of our faith.
- God always works from the inside out. It starts in our secret place and ends up in our natural realm of influence.

Ways to Establish a Honey Hole in Our Realm

- Examine your life with God today.
 - How much time do you spend fellowshipping with Him?
 - How much time do you spend seeking His plans for your life?
 - Are you spending more time doing things FOR Him and less time WITH Him in the secret place?
 - Do you have sinful attitudes that are not under the Blood yet?
 - Are you being diligent in pursuing Him?
- Make an appointment with God to bring Him your realm of influence as an offering.
 - There is something powerful about submission to the Father's will.
 - Submitting your realm of influence to His Lordship is giving Him the keys to move powerfully in your life to bring others into the Kingdom of God.

Ways to Establish a Honey Hole in Our Realm

- Increase your pursuit intensity with Him
 - We can always go deeper.
 - Nobody has arrived yet.
 - You may think you can't go any deeper but you can. Always pursue Him more and more and more.
- Learn to recognize His voice and OBEY Him
 - One of the primary purposes of this pursuit is the clearly hear His voice!
 - It is vital that we follow only His voice. Jesus said His sheep hear His voice and the voice of a stranger they will not follow.
 - Sheep obey the Shepherd's voice. They go where He leads them. They stop when He stops and they go when He goes. That's instant obedience.

Ways to Establish a Honey Hole in Our Realm

- Submit your days to Him before you leave the house
 - Before you leave for the day, give Him your realm of influence and ask Him to bring people into your realm for you to help.
 - God does things only with our permission. He gave us that much freedom. He waits to be invited to move in the earth even though He owns it.
 - By submitting your realm of influence, you are giving Him the permission to operate in your life today.
- Let love be the motivating factor of your day
 - Faith works through LOVE. We can't go out doing "projects" for the Lord. We go out with a passionate love for people because He passionately loves them!
 - When our single eye looks at people from His perspective, its easy to love them! And that is where faith operates.

Ways to Establish a Honey Hole in Our Realm

- Instantly OBEY His unctions
 - The Holy Spirit will give us impressions or unctions to go talk to someone or to give someone something.
 - This means that He WANTS to do something in that person's life. He sees their heart and He knows what they will say and how they will respond.
 - Because we recognize His voice, we won't second guess ourselves and hesitate. We will obey instantly like Jesus did! And it will bring an instant manifestation of the power of God.
- Let Him stretch your faith
 - We must be pliable in the Father's hands.
 - We must be willing to be stretched and that is hard for many people
 - That is why it is important to pursue Him and submit your realm of influence to Him.

What are the results of a powerful Honey Hole?

- When we get to the place that Jesus was, we will see blind eyes opened, we will be fearless and bold as a lion. We will raise the dead.
- Our realm of influence will be vibrating with the power of God.
- We will change the very atmosphere of a place just because we are there. The culture will change because the people will change.
- When the people of God begin to establish honey holes in their realm of influence, the whole world will be turned upside down!
- Remember it starts in Jerusalem and our Jerusalem is our realm of influence. Set up a honey hole for Jesus! Souls for Abba!
