

# The Birth of a House Church

- **The tenth church was just established in January at the house of a prominent woman in the area. Her story is interesting.**
  - **She was tormented by demons and ended up visiting ABC Church. As the worship started she began to tremble as the demons were stirred up.**
  - **The believers prayed for her for two solid weeks continuously for her deliverance. She was totally delivered! Later the believers discovered that she had tuberculosis and occasionally bled from her mouth.**
  - **She went back to her village. Her husband works in India and won't be home until April 2018. She kept her new faith in Jesus a secret and kept attending ABC church. Before long, the people in her village wanted to know her secret of why her health was restored and "her shining face."**
  - **She finally told her father-in-law who did not believe, but her husband is happy she is healed and set free and is interested in meeting Jesus!**

# The Birth of a House Church

- **This woman decided to open her home to begin a house church. As she is well thought of in her area, many people could potentially come into the Kingdom of God through her influence.**
- **The growth strategy of Raj's apostolic ministry is very simple and yet so effective. What does he do?**
  - **He spends hours in prayer and fasting for breakthrough.**
  - **He demonstrates the power and love of God to people.**
  - **He talks to a family who will agree to open their home for a house church.**
  - **The family and friends in that area tell others to come to the new church.**
  - **A new House Church is born...**
