

UPDATE AS OF SEPTEMBER 2018

- Brian came back to the States for a time of refreshing at Rhema Camp. Cara stayed in France and held the group meetings and reports that several new faces came. The groups are growing.
- The Lord blessed the Salleys with a second vehicle. They asked Him and a couple of weeks later they had another vehicle to help with the children's school schedules. The "vehicle" is a really nice motorcycle for Brian, which he loves.
- Cara is almost finished with her devotional book called "Bit by Bit." She hopes to publish very soon. The book will help you to evaluate your spiritual journey.
