

## **UPDATE MAY 2018:**

- The Salley's have received their Visas to work in the harvest fields of France! God's grace was all over it. They flew to France April 6<sup>th</sup> and are now on the ground working the fields!
- They have a "core" group of people who have come along side them to work with them.
- They spent the winter of 2018 vision building for the church plant in Douvaine. They have connected to other church planters in France. They continued to develop their language skills in French speaking and reading.
- They spent the winter months in the States preparing for the year 2018 in France! They are off and running!
